

HEADSHOT SESSIONS

For individuals wanting to level up their online professional appearance!

WHAT'S INCLUDED

Every session is discussed and planned prior to determine your goals and wants for your images.

- Up to a 1hr session
- Up to two locations (indoors or outdoors)
- Up to two outfit changes
- Professional lighting & posing
- Select your favourite images immediately
- Images are fully touched-up and edited
- Images are delivered via an online gallery in two sizes: high-res & social
 - You can expect to receive 5-10 final images

For rates and to book your session, email, call or text!
